Insurance Made Easy

We appreciate your interest in Abbey Insurance Services, Inc. Let me take a few minutes of your time to tell you a little about us. Abbey Insurance Services, Inc. was founded in 1992. With nearly 20 offices, it is one of the largest and fastest growing insurance agency networks in the Southeast. Abbey Insurance currently represents over 30 of the top insurance markets available to independent agency partnerships developed and operated by you.

While other companies struggle to survive due to size and growth constraints, Abbey has been able to expand due to our ability to increase markets and provide low advertising costs. Thus, we enable our agencies to provide competitive and quality service to our valued clients. Abbey Insurance Services, Inc. provides a cost effective way to own an independent insurance agency. We provide the "tools" to be successful: access to top insurance markets, cooperative advertising, training and support, protected territories, and much more.

Above are just some of the reasons to become an Abbey partner. This agency system is set up for highly motivated people with good sales skills. Simply owning an agency does not always equate to success. You must work efficiently and be dedicated to be successful. In other words, it is not a 9 to 5 job. If you think that this opportunity may be what you are looking for, then simply fill out the questionnaire or contact us. We will review your request in a timely manner.
